

About Collabrus

At Collabrus, we have over 15 years of employee workforce administration experience servicing the Bay Area and beyond. We understand the time it can take companies to on-board properly, often spreading their resources thin. Let the Collabrus employee workforce administration team take it from here! Whether you have an established HR and Payroll - or just starting out, we can be a valuable partner in business.

Why use Collabrus?

- We are not just a platform or VMS. We are real, experienced humans ready to assist in real time.
- Processing payroll takes time and is costly to a company's resources.
- We're a trusted partner, who understands payroll regulations and compliance.
- Proper Workforce Classification as W2 employee-Versus the 1099 pitfall

WORKFORCE ADMINISTRATION MODEL

Employee Lifecycle: On-Boarding to Off-Boarding

Employer Benefits

- Reduces risk in regards to compliance and tax, specifically with W2s and 1099s for your state.
- Reasonable rates in comparison to new hire fees.
- We are a “one stop shop” for workforce administration, which enables you to focus on your business, instead of onboarding tasks.
- We offer employees a large suite of benefits, giving you the ability to attract top candidates.
- A dedicated team answering your questions and the employee’s every step of the way.
- Utilizing Collabrus’ solutions as a “temp to hire” employee of record is more cost effective, as it reduces your initial onboarding costs.
- We perform tailored background checks on all employees to meet your specific requirements.
- We handle employee workforce management from start to finish, servicing yours AND the employee’s needs.
- When your organization is not ready to onboard due to budget constraints, Collabrus will payroll new hires while they finalize internal processes.

TOP MISTAKES WHEN HIRING AND MANAGING YOUR CONTINGENT WORKFORCE

- X Compliance mistakes when adhering to the changing regulations on hiring 1099 / Independent Contractors
- X Not up-to-speed on other state’s payroll and taxation laws
- X High costs associated with onboarding employees who “didn’t work out” - in addition to the cost of onboarding
- X Lack of outsourcing to professionals who can ease your workload

Let Collabrus centralize your back-office transactions successfully!

We have proven capabilities to keep your workforce compliant.
